

Many Police Department
Chief Cheryl Wooley
12/15/2023.- 01/23/2024
Chief's Report

This is a report of Many Police Department activities. Included in this report are print outs from Quick PD, our reporting system that support the following report. The following is a brief synopsis since our last meeting.

The Many Police Department has fielded a total of 106 calls for service within the last 30 days. These calls include disturbances, traffic accidents, drug arrests, medical emergencies, domestic violence, theft and shoplifting and one car theft. (Which was successfully recovered the same day.)

Citations: TOTAL DEFENDANTS: 102 citations TOTAL VIOLATIONS: 135

Total Arrests – 10 people were arrested for various charges since the last report.

PATROL UPDATE: We are working with Enterprise and Ford on the recall notices for our Ford Explorers.

We worked with State Ag dept investigators and Lincoln Parish SO to recover a tractor that was stolen from Sabine Parish in 2019. While two of the thieves were arrested, the two tractors stolen from here were never recovered. One of these tractors came to our attention when a tractor parts store was approached by someone ordering a part. The part in question needed a specific serial number off the tractor to get the correct part. When the part's clerk ran the serial number, it showed up as stolen. Lincoln Parish upon our request picked up the tractor and we traveled to Lincoln Parish to positively indentify the tractor which only had 87 hours on it after four years. We met with the state ag agent as well as state insurance investigator and confirmed it was the stolen tractor. We have reopened the investigation.

Shop with a Cop was a success this year with 27 children getting to shop for Christmas presents. Some of the children bought themselves warm clothes and things for their room like a folding table or chair, while some gleefully bought themselves a much wanted game or toy.

Party Patrol funds were used to be on the streets during New Years Eve holiday weekend. The SPA pays our additional officers to be on duty during events that young people might be out to drink or use drugs and then drive. We are reimbursed for those officers' pay by the grant.

Many Police Department

12/15/2023.- 01/23/2024

Chief's Report

One of our officers, Josh Corley is scheduled to be featured when the Community Caravan comes to Many at the end of the month. Josh has used his dual skills as a police officer and first responder on several occasions.

Our officers are participating in some advanced training the next few weeks. Three officers including our K9 officer Calvin Hay are going to Desert Snow training in Baton Rouge. This training is one of the premier interdiction and hidden compartment trainings in the country. Assistant Chief Wiley is going to attend a training in Baton Rouge put on by the Secret Service's Threat Analysis Unit on active shooters, soft targets, domestic terrorism and sovereign citizens.

I am also attending a meeting with a couple of our local churches concerning homeless people when he have freezing weather conditions such as last week.

We recovered a stolen vehicle from Many last week the same day it was reported stolen. It is always important not to leave your keys in your vehicle and take valuables inside.

We are looking at grants to purchase additional new body armor and other equipment. We received a grant that allowed us to purchase four new vests and be reimbursed from the grant.

I have also included a summary of what our department has accomplished and some of our forward looking goals.

We appreciate the open communication and cooperation that exists between our department and the Town of Many.

Cheryl Wooley

A handwritten signature in black ink that reads "Cheryl Wooley". The signature is written in a cursive style with a long horizontal line extending from the end of the name.
